

# CONAGRA FOODS GRAIN STORAGE FACILITY

## **Owner**

ConAgra Foods Food Ingredients Company, Inc.

## **Size/Capacity**

1,000,000 bushels

## **Completion Time**

8 months

Completed 11/2010

## **Younglove's Services**

- Conceptual design
- Structural engineering
- General construction
- Equipment installation

## ***Decatur, Alabama***

This project included the design and construction of two (2) 105-foot-diameter silos to store 1,000,000 bushels of wheat, a new truck and rail receiving pit, a transfer system from the existing facility, and reclaim system. The receiving, transfer, and reclaim systems are sized for 12,000 bushel-per-hour capacity.
