Butterball Turkey  
Company

## ***Size/Capacity***

3,500 tons per week

## ***Completion Time***

14 months

## ***Younglove's Services***

- Conceptual design
- Structural engineering
- General construction
- Construction management
- Slipform concrete construction
- Equipment installation

## ***Sherwin, Kansas***

Designed for turkey feed, this facility includes the utilization of expanders on two pellet lines, with room for a future third line.

Ingredients are received by rail or truck and stored in cone-bottomed silos with 9,650 tons of grain storage. With 3,475 tons of ingredient storage, 500 tons of mash storage, and 1,900 tons of finished feed storage, the mill has a total storage capacity of almost 5,900 tons.
